

# Environmental Policy

## Our Responsibilities / Our Impact / Our Commitment

---

At Miner Enterprises, we recognize our responsibility to protect the environment and prioritize the health and safety of our employees, customers, suppliers, and the communities in which we operate. Our leadership, operations teams, and workforce are fully committed to environmental stewardship and continuous improvement in sustainability.

We strive to minimize our environmental impact by conserving energy, reducing waste, increasing recycling efforts, and limiting the use of hazardous materials. Our objective is to systematically manage energy, water, and raw materials while optimizing our recycling and waste management programs through regular audits conducted by both internal teams and external experts.

In collaboration with our customers, suppliers, and partners, Miner is dedicated to supporting sustainability initiatives, operational efficiencies, and quality assurance objectives. Our commitment extends to:

**Sustainable Sourcing & Materials:** Prioritizing environmentally friendly materials and utilizing recyclable process materials whenever feasible.

**Supply Chain & Packaging:** Establishing partnerships with suppliers to promote sustainability efforts, including the use of returnable packaging and reusable bins.

**Manufacturing Process Optimization:** Continuously improving production processes to enhance efficiency while reducing environmental impact.

**Waste Reduction & Recycling:** Minimizing waste from incoming materials by sourcing in bulk and prioritizing recyclable packaging.

**Water Conservation:** Managing water usage in our manufacturing facilities through recirculation and purification efforts to ensure environmental safety.

**Energy Efficiency & Carbon Footprint Reduction:** Actively working to decrease natural gas and electricity consumption to lower our overall carbon footprint.

**Employee Health & Safety:** Implementing comprehensive programs that prioritize the well-being and safety of our employees.

Through these initiatives, Miner Enterprises remains committed to fostering a culture of sustainability and accountability, ensuring that our operations align with the highest environmental and safety standards. <https://www.minerent.com/Sustainability.php>
